Product information

Get 3 garments in 1 with this hi-visibility rain jacket with detachable vest. To be worn in conjunction with the jacket or individually, the detachable vest features radio loops, 6 pockets and can be neatly folded into one of the jacket side pockets when not required. The jacket features 7 pockets, 5 on the outside and 2 internal pockets for your phone and ipad storage. There is also a helmet compatible detachable hood and segmented reflective tape on both garments. With fully taped internal seams, inner cuff and an adjustable hem, this rain jacket will keep you protected during your working day.

High Visibility Workwear

Combining safety and style, fabrics within our hi-vis workwear ranges are made from a premium durable polyester/cotton. These fabrics offer variations in weight and composition. The bright fluorescent capabilities of Portwests fabrics combined with the garments retro reflective stripes offers the highest possible visibility in poor light or adverse weather conditions.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
