→ **SCRAPER MATS • OUTDOOR**

→ WHY CHOOSE THIS MAT?

SuperScrape mats feature a molded tread pattern that effectively scrapes tough dirt and grime from shoes. It is ideal for use outside as a scraper mat or as a slip-resistant mat in wet areas.

- **Clean & Dry** – Raised nubs remove dirt and moisture from shoes and trap it below foot level, holding it on the mat below shoe level so they are not tracked onto floors
- **Safe** – Slip-resistant even in wet environments; certified high-traction by the National Floor Safety Institute (NFSI)
- **Durable** – Grease/oil proof and chemical resistant
- Good **anti-fatigue** properties
