Product information

This waterproof trouser is ideal for wet conditions where extra warmth is required. Elasticated FR braces keep the trouser in place when bending and stretching while the raised back provides extra warmth and protection.

Bizflame™ Rain HV

This multi-standard protective clothing is waterproof and flame resistant and are designed to offer full protection against adverse weather conditions and flame hazards. These waterproof garments are resistant to chemicals and have anti-electrostatic properties.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
